As we understand that the eProject is a step-by-step learning environment that closely simulates the class-room and Lab based learning environment into actual implementation. It is a project implementation at your fingertips!! An electronic, live juncture on the machine that allows you to.

- ✓ Practice step by step i.e. ladder approach.
- ✓ Build a larger more robust application.
- ✓ Usage of certain utilities in applications designed by user.
- ✓ Single program to unified code leading to a complete application.
- ✓ Learn implementation of concepts in a phased manner.
- ✓ Enhance skills and add value.
- ✓ Work on real life projects.
- ✓ Give a real-life scenario and help to create applications more complicated and useful.
- ✓ Mentoring through email support.

We would like to send a great thank to our professor and others student for the adorable supports during the time in project.

Beside several mistakes we had made in the project, we hope to have more opportunities to widen our knowledge in web developing world.

We also thank you so much for your information and the “demo” project from India APTECH to help us get more reality experience in this project. Since we have gained more experience from this project, we will not stop learning anything as much as we can to be more successful in the future.

Your Sincerely,

Team Group 01.

# Synopsis

The Objective of this program we aim is to give a sample project to work on real life projects. These applications help us build a larger more robust application.

The objective is not to teach us HTML/JavaScript but to provide us with a real-life scenario and help us create basic applications using the tools.

Hence, we can revise the chapters before we start with the project.

This project is meant for students like us who have completed the module of HTML5. These programs should be done in the Lab sessions with assistance of the faculty if required.

Keansburg Park, developed by Gottlieb groups over five years, is a 45-acre national pride featuring operational attractions. They seek a Single-Page-Application and responsive website to describe attractions and facilitate online ticket booking, compatible with all major browsers.

It is very essential for us that will have a clear understanding of the subject. We think we should go through the project and solve the assignments as per requirements given.

And get back ***eprojects@aptech.ac.in*** as the assigned schedule.

<b>Design Plan:</b> Keansburg Park	<b>Document Name:</b> Problem Definition	<b>SWD/Form</b> No.01/PD/Ver1.0
<b>Effective Date:</b> 15-01-2025	<b>Version</b> 1.0	<b>Page No:</b> 1 of 35

## Problem Definition

Keansburg Park, developed over five years by Gottlieb Groups of Companies, stands as a national pride on a 45-acre expanse, and now requires an engaging online presence. The goal is to create a visually appealing, Single-Page-Application (SPA) and responsive website that highlights all park attractions, facilitates online ticket reservations, and is compatible with all leading browsers like Chrome, IE, and Firefox.

### 1. Key Requirements:

#### 1.1. Design and Layout:

- Attractive color combinations and properly defined links and sections.
- Different zones detailing attractions, restaurants, entertainment options, ticket prices, and a gallery.
- Prices must vary depending on weekdays, weekends, and family packages.
- Sections such as About Us, Contact Us, and Disclaimer should be included.
- Navigation must be smooth with a user-friendly interface.

#### 1.2. Functionalities:

- Account creation for users.
- Dummy procedure for ticket booking.
- Capture visitor reviews and ratings.
- Display a gallery with various images.

	<b>Prepared by (Student)</b> <b>Project Group No: 01</b>	<b>Approved by (Faculty)</b> <b>LÊ THANH NHÂN</b>

<b>Design Plan:</b> Keansburg Park	<b>Document Name:</b> Problem Definition	<b>SWD/Form</b> No.01/PD/Ver1.0
<b>Effective Date:</b> 15-01-2025	<b>Version</b> 1.0	<b>Page No:</b> 2 of 35

- Add links for site map, queries, and contact information (email, address, phone number).

### 1.3. **Interactive Elements:**

- Continuous scrolling ticker with the current date, time, and location using geolocation features of HTML5.
- Display a visitor count at the top right corner beside a logo image.
- Menu options that change color on hover and after clicking, with fade-in and fade-out effects.

## 2. **What can the visitors do with the website?**

Visitors to the Keansburg Park website can:

- 2.1. **Explore Attractions:** Discover different zones, attractions, restaurants, and entertainment options within the park.
- 2.2. **Ticket Booking:** Book tickets online through a seamless and straightforward process, providing options for weekdays, weekends, and family packages.
- 2.3. **Create Accounts:** Sign up for personal accounts to manage bookings, receive updates, and store preferences.
- 2.4. **View Galleries:** Browse through images showcasing various attractions and events at the park.
- 2.5. **Leave Reviews and Ratings:** Share their experiences by submitting reviews and ratings for the attractions and services.

<b>Effective Date:</b> 15-01-2025	<b>Version</b> 1.0	<b>Page No:</b> 3 of 35

- 2.6. **Access** Information: Find detailed information about the park, including sections like About Us, Contact Us, and Disclaimer.
- 2.7. **Stay** Updated: See the current date, time, and location through a continuous scrolling ticker, along with a visitor count.
- 2.8. **Navigate** Smoothly: Enjoy a user-friendly interface with smooth navigation and interactive menu features.

## Customer Requirements Specifications

### 1. Client:

Keansburg Park, also known as **Keansburg Amusement Park & Runaway Rapids Waterpark**, is a family-friendly destination located in Keansburg, New Jersey. Here are some highlights about the park:

- 1.1. **Attractions:** The park offers a variety of rides and attractions suitable for all ages, including classic seaside amusements, modern thrill rides, go-karts, batting cages, and an arcade.
- 1.2. **Waterpark:** Runaway Rapids Waterpark features over 19 slides of varying heights and speeds, a kids' lagoon with interactive water play, and mini slides. It's a great spot for families to cool off and have fun.
- 1.3. **Beach:** The park is nestled on the Jersey Shore, providing a perfect blend of adventure and relaxation with its sandy beaches.
- 1.4. **Events:** Keansburg Amusement Park hosts various events throughout the year, offering special deals and promotions to enhance visitors' experiences.
- 1.5. **Food and Amenities:** Visitors can enjoy a full menu at Toucon Grill and other dining options, as well as plenty of places to grab snacks and drinks.
- 1.6. **Accessibility:** The park is easily accessible with ample parking options and is a nostalgic favorite for many visitors.

## 2. Business/Project Objective:

- 2.1. **Organization/Business Overview:** Keansburg Park, developed by Gottlieb Group of Companies, has become a national pride, spreading joy and entertainment over a 45-acre land. The park management has worked tirelessly to keep the attractions operational and of high quality.
- 2.2. **Products:** The park offers various zones and attractions, including restaurants and entertainment options.
- 2.3. **Concerns:** Ensuring the website is visually appealing, user-friendly, and accessible on all leading browsers. Managing online ticket bookings smoothly.
- 2.4. **Expectations from the System:** The Keansburg Park management expects the website to describe all park attractions and allow users to book tickets online. They require a Single-Page-Application (SPA) that is responsive and works well across all leading browsers such as Chrome, IE, and Firefox.

## 3. User:

### 3.1. Input:

- **Account Management:**
  - Registration data.
  - Login information.
- **Ticket Booking:**
  - Select tickets.

- Enter personal details.

- **Feedback Submission:**

- Provide reviews.
- Give ratings.

- **Navigation:**

- Clicking on menu options.
- Searching for specific information.

### 3.2. **Process:**

- **User Account Management:**

- Verify registration data.
- Authenticate login details.

- **Ticket Booking:**

- Process ticket selection.
- Confirm personal details.
- Generate booking confirmation.

- **Feedback Processing:**

- Capture and store reviews.

	<b>Prepared by (Student)</b>	<b>Approved by (Faculty)</b>

#### 4. Webmaster:

##### 4.1. Input:

- **Manage User Accounts:**

- Registration data (e.g., name, email, password).
- Login information (e.g., username, password).
- User account updates (e.g., change password, update profile).

- **Manage Tickets:**

- Ticket details (e.g., event name, date, time, price).
- Booking requests from users.
- Updates to ticket availability or pricing.

- **Manage Feedback:**

- User reviews and ratings.
- Feedback moderation requests (e.g., flag inappropriate content).

- **System Configuration:**

- Website settings (e.g., theme, layout, features).
- Database updates (e.g., add/remove events, update ticket inventory).

##### 4.2. Process:

	<b>Prepared by (Student)</b>	<b>Approved by (Faculty)</b>
	<b>Project Group No: 01</b>	<b>LÊ THANH NHÂN</b>

- **User Account Management:**

- Verify and validate registration data.
- Authenticate login credentials.
- Update user account information in the database.
- Handle password recovery requests.

- **Ticket Management:**

- Process ticket booking requests.
- Update ticket availability in the database.
- Generate and send booking confirmations to users.
- Monitor and manage ticket inventory.

- **Feedback Management:**

- Capture and store user reviews and ratings.
- Moderate feedback to ensure appropriateness.
- Analyze ratings to generate reports or insights.

- **System Management:**

- Configure and update website settings.
- Perform database maintenance (e.g., backups, updates).

- Monitor website performance and resolve issues.

#### 4.3. **Output:**

- **User Account Management:**

- Display user account details in the admin panel.
- Confirmation of account updates (e.g., password change, profile update).
- Notifications for successful login or registration.

- **Ticket Management:**

- Display ticket booking details in the admin panel.
- Confirmation of ticket updates (e.g., availability, pricing).
- Reports on ticket sales and bookings.

- **Feedback Management:**

- Display user reviews and ratings in the admin panel.
- Confirmation of feedback moderation actions.
- Reports on overall ratings and feedback trends.

- **System Management:**

- Updated website settings and configurations.
- Database backup and maintenance logs.
- Performance reports and issue resolution status.

## 5. Hardware / software requirement:

### 5.1. Hardware

- Intel Core i3/i5 Processor or higher
- 8 GB RAM or above
- Color SVGA
- 500 GB Hard Disk space
- Mouse
- Keyboard

### 5.2. Software

Technologies to be used:

- Frontend: HTML5, CSS, Bootstrap, JavaScript, jQuery, React/AngularJS, Figma, XML
- Data Store: JSON files or TXT files

Other Requirements:

- Operating Portal: Windows
- Browsers: Edge, Chrome, Mozilla Firefox, Safari

## 6. Scope of the Work (in brief):

	<b>Prepared by (Student)</b>	<b>Approved by (Faculty)</b>
	<b>Project Group No: 01</b>	<b>LÊ THANH NHÂN</b>
<b>Signature</b>		
<b>Date</b>		

<b>Design Plan:</b> Keansburg Park	<b>Document Name:</b> Customer Requirements Specifications	<b>SWD/Form No.02/CRS/Ver1.0</b>
<b>Effective Date:</b> 15-01-2025	<b>Version</b> 1.0	<b>Page No: 12 of 35</b>

The scope of this project involves designing, developing, and documenting a functional website or application. The work includes:

- 6.1. **Problem Definition:** Clearly defining the problem, the project aims to solve.
- 6.2. **Design Specifications:** Outlining the technical and functional requirements of the project.
- 6.3. **Diagrams:** Creating visual representations such as flowcharts, data flow diagrams (DFDs), and other relevant diagrams to illustrate the system's workflow and architecture.
- 6.4. **Source Code:** Developing and submitting the complete source code for the project.
- 6.5. **Test Data:** Providing the test data used to validate the functionality of the project.
- 6.6. **Installation Instructions:** Including clear instructions for setting up and running the project, if applicable.
- 6.7. **Documentation:** Ensuring comprehensive documentation, including a detailed project report and a ReadMe file listing any assumptions made.
- 6.8. **Demonstration:** Submitting a video clip demonstrating the working of the website or application. Optionally, hosting the site live and providing the URL.

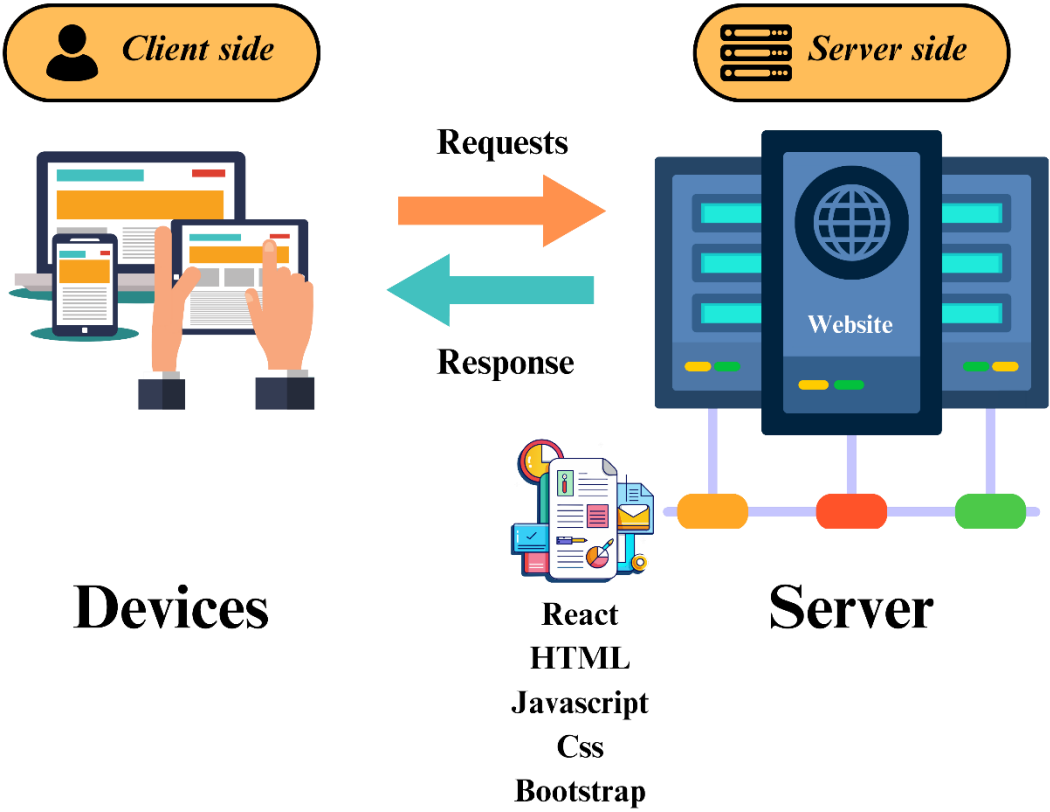

The project also encourages creativity and logical improvements to enhance the portal's functionality and user experience. The final deliverables will be consolidated into a zip file for submission.

## 1. Header

Each page will feature a consistent header and footer for a unified user experience across the website.

The header of the Keansburg Amusement Park website is divided into two sections. The maroon top section displays the park's address at "275 Beachway Ave, Keansburg, NJ 07734," contact number "(732) 495-1400," email "info@keansburgamusementpark.com," and social media icons for Facebook, TikTok, Instagram, and YouTube. This section also includes a yellow button labeled "Visits" to show the number of visitors, along with a reset button.

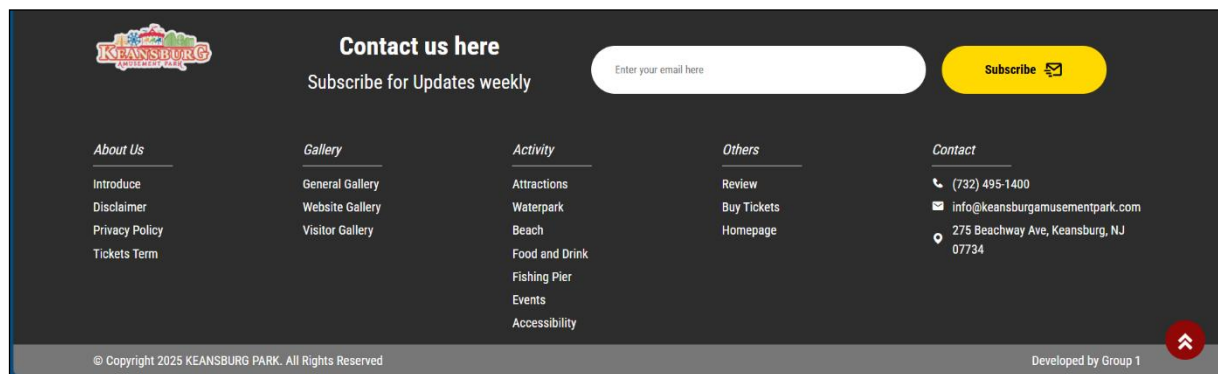

The dark blue bottom section includes navigation links for Home, About Us, Gallery, Activity, Review, Contact Us, and Tickets, with the Tickets link highlighted in red and featuring a ticket icon. Additionally, the Home link is accompanied by a house icon, and a centered "Keansburg Amusement Park" logo ties the header together.

## 2. Footer

<b>Effective Date:</b> 15-01-2025	<b>Version</b> 1.0	<b>Page No: 17 of 35</b>

The home page is divided into sections, each beginning with a maroon header followed by the relevant content.

### 3.1. Introduction

The introduction section features a looping video on the left showing happy visitors enjoying the park, with a description on the right providing an overview of Keansburg Park.

#### 1. Welcome to Keansburg Park

Keansburg Park, located in New Jersey, is a beloved destination known for its family-friendly atmosphere, thrilling rides, and stunning views of the Raritan Bay. Established in 1905, the park combines rich history with modern attractions, making it a perfect spot for visitors of all ages.

Whether you're looking to relax on the free beach, enjoy exhilarating joy rides, or indulge in delicious food, Keansburg Park has something for everyone. The park also features an arcade with classic games, a waterpark, batting cages, a fishing pier, and exciting go-kart tracks. Every visit promises a day filled with fun and adventure!

History

Morris' Fish Market, Keansburg, N. J.

**Before 1901**

**From Fishing Village to Premier Resort Destination**

Originally a fishing village, Keansburg evolved into a resort destination for visitors from Northern New Jersey and New York. The Keansburg Amusement Park, which marked its 120th anniversary in 2024, has been a significant attraction even before the borough's official incorporation. The park, alongside the Steamboat Company founded in 1910, played a crucial role in developing Keansburg as a recreation-focused resort.

**1901**

**Founding of Keansburg Park and Early Attractions**

Beach

### Welcome to Keansburg Beach

Located on Bayside Parkway in Keansburg, New Jersey, Keansburg Beach is the perfect spot for a fun-filled family day by the water. With its stunning views of the Atlantic Ocean and a plethora of activities, this beach offers something for everyone.

**Highlights of Keansburg Beach:**

- Family-Friendly:** Enjoy calm, shallow waters, ideal for children to swim and play safely.
- Free Access:** Our beach is open to the public at no cost, making it an affordable option for everyone.
- Nearby Attractions:** Situated next to Keansburg Amusement Park, you can easily extend your day with thrilling rides and games.
- Amenities:** Plenty of food options, picnic spots, and restroom facilities to ensure a comfortable visit for all.

**Plan Your Visit**

- Best Time to Visit:** The summer months, from late June to early September, offer the warmest and most enjoyable weather.
- Parking:** Convenient parking options, both free and paid, are available near the beach.
- Lifeguards:** Our lifeguards are on duty during the summer season, especially on weekends, ensuring a safe environment for everyone.

Keansburg Beach is the ideal destination to relax, have fun, and create lasting memories. Whether you're looking to sunbathe, swim, or explore the nearby attractions, we have everything you need for a perfect day by the sea.
